Skin Therapy Facials

Experience the perfect blend of targeted skin therapy and holistic relaxation with our expert facials, designed to address all your skin concerns. Whether you're seeking to achieve cellular-level changes or maintain skin health, our Skin Therapy Facials utilise a variety of treatment modalities to create a personalised plan tailored to your needs. For those looking to unwind, indulge in our Janesce Facials, featuring plant-based organic skincare. These sensory facials combine skin-specific herbal tinctures, powerful essential oils, and long, flowing movements to deeply nourish and rejuvenate, even for sensitive or compromised skin.

OBSERV Skin Analysis *$90 | 40 mins*

Discover the true condition of your skin with the cutting-edge OBSERV Skin Diagnostic Device. Using advanced imaging technology, this analysis reveals the deeper layers of your skin, helping to uncover issues that may not yet be visible on the surface. We'll also consider your diet, lifestyle, and treatment history to create a personalized plan for achieving healthier, glowing skin—inside and out.

This consultation is the ideal starting point for any skin treatment journey. A detailed pre-consultation form must be completed prior to your appointment.

O Cosmedics Peel *$160 | 60 mins*

O Cosmedics medical-grade peels are formulated with a carefully curated blend of potent actives to turn back the clock on aging, correct hyperpigmentation or acne scarring, or simply achieve a more youthful, radiant complexion. These facials are designed to deliver transformative, long-lasting benefits for your skin's health and vitality. Your transformative facial includes a soothing neck, shoulder & scalp massage.

*O Cosmedics Express Peel $150 | 50 mins

Ultimate Glow Up Facial *$320 | 90 mins*

An advanced treatment designed to deeply nourish and rejuvenate. This facial uses electrophoresis infusion to painlessly deliver active our most active serums from DP Dermaceuticals MG Collection to target your skin concerns. Featuring a double cleanse, steam therapy, and enzyme peel for deep exfoliation, this treatment can also include optional dermaplaning for smoother, brighter skin. Extractions, a soothing massage, and a luxurious alginate mask will further refresh and hydrate, leaving your skin visibly plumped and glowing.

PRIN Pro Lymphatic Facial *$240 | 80 mins*

Experience an innovative skin treatment that combines science and skin physiology for healthier, refreshed, and radiant skin. Your facial is customised to address your unique skin needs with advanced ingredients that boost oxygenation, improve your skin's microbiome, and fortifies skin immunity. A gentle enzyme peel removes excess surface cells, while a detoxifying compression mask stimulates lymphatic flow. Lovoir's signature lifting and sculpting facial massage promotes microcirculation, enhancing skin health for the ultimate glow!

*PRIN Intro Lymphatic Facial $180 | 60 mins

Elementals Nanofusion *$220 | 60 mins*

An advanced facial combining Skin Moderne's Elementals skincare with NanoFusion technology to visibly rejuvenate the skin without downtime. A silicone-tipped device creates microscopic channels in the skin's surface, allowing active serums to absorb more deeply and effectively. This stimulates collagen, brightens uneven tone, and improves skin texture. Ideal for treating fine lines, pigmentation, and dullness.

Fire & Ice Facial *$180 | 60 mins*

We combine the heat of our oxygenating O Cosmedics enzyme peel with the cooling power of Cryotherapy and a deeply hydrating cream mask. This dynamic duo leaves your skin feeling refreshed, rejuvenated, and event-ready—with zero downtime.

Vitamin Infusion Facial *$175 | 60 mins*

Electrophoresis combined with Cryotherapy or Thermal therapy gently stimulate the cells for increased collagen production. Your Therapist will select from 3 vitamin rich serums to infuse into the deeper layers of the skin resulting in a more hydrated and youthful complexion! Amazing for improving tone and texture of the skin with no down-time.

Deep Cleansing Teen Facial *$150 | 50 mins*

Ideal for teens struggling with congestion and breakouts, this purifying facial uses hydrating steam and potent enzymes to gently exfoliate and refresh the skin. Blocked pores are cleared through effective extractions, helping to reduce congestion and prevent future breakouts. Your complexion will be left feeling smoother, clearer, and more balanced, with a healthy glow. Perfect for achieving a fresh start to clear skin!

Dermaplaning Facial *$150 | 50 mins*

Experience a gentle yet effective treatment that painlessly eliminates unwanted vellus hair, or "peach fuzz," from the face and jawline. This procedure results in a a super exfoliation to remove dead skin cells, and is followed by a hydrating mask to seal in moisture, leaving your skin rejuvenated and radiant.

Janesce Petite Facial *$110 | 30 mins*

Focusing on the essentials for those who need a hydrating botanical skin boost, this facial includes a cleanse, gentle enzyme exfoliation, herbal mist and facial mask to rejuvenate and rebalance your skin. A beautiful pick-me-up.

Janesce Indulgent Facial *$185 | 70 mins*

An anti-aging treatment for clients who want the ultimate in relaxation and facial indulgence. Therapeutic levels of plant extracts encourage cell stimulation and skin radiance. Fragrant herbal steam hydrates & locks in moisture. A nourishing mask is blended with specific herbal tinctures to restore youth and radiance while you drift away with aromatic face, neck, décolletage and hand massage. Pure blissful indulgence.

Treatment Enhancements

Signature Lifting Facial Massage *$30*
Encourages microcirculation and lymphatic drainage to reduce puffiness and refine facial contours. Skin appears brighter, firmer, and more refreshed post-treatment.

Extra Area Enzyme Peel & Mask *$70*
Targeted enzymatic exfoliation smooths texture and clears congestion for a more even tone on areas like the décolletage or hands. Leaves skin noticeably softer and more refined.

LED Light Therapy *$70*
Clinically proven wavelengths support collagen synthesis and accelerate visible recovery. Helps soften fine lines, improve firmness, and enhance overall skin clarity.

Vitamin Infusion *$75*
Low-level electrophoresis drives active ingredients deeper for superior hydration and brightness. Effective for addressing dehydration and uneven pigmentation.

Nanofusion *$100*
A cutting edge, needle-free device creates microscopic channels in the skin to enhance the delivery of potent serums. Immediately softens fine lines, and plumps your skin.
Upgrade: Include the neck and decolletage for an extra $20

Dermaplaning *$70*
Gently removes vellus hair and superficial buildup to reveal a smoother, more polished surface. Enhances product penetration and creates a flawless, makeup-ready finish.

Nourishing Hand or Foot Mask *$25*
Intensive hydration restores suppleness and comfort while supporting nail health. Ideal for dry, or rough skin that needs immediate softness and resilience.

Collagen Eye Mask *$25*
Concentrated, 97% skin-identical collagen helps de-puff, firm, and smooth the under-eye area. Reduces the look of fine lines and dark circles for a refreshed appearance.

Heel Reset Treatment *$50*
AHA/BHA resurfacing dissolves callused skin for visibly smoother heels, while soothing botanicals rehydrate and calm. Restores a soft, comfortable feel to very dry feet and thickened heels.
